

It's Your Neighbourhood... have your say

Heather Lands

The Heather Lands (formerly the RCMP lands) are changing and we want you to be part of the process. Three site concepts were presented at our last round of open houses in October, 2017.

Join us at our third round of public consultation to review the preferred concept plan and emerging policies. Following these events, staff will draft the Policy Statement which will set principles and objectives for land use, site character, sustainability, heritage, transportation, density and building heights, and public benefits. The Policy Statement will be presented to Council for consideration later this year.

Drop by an event to have your say and speak with City staff and the project team.
